

Say **YES** to sharing America. Host an international student! **Host families receive a monthly stipend.**

Our international students bring financial support to your high schools and community and a global perspective to your family.

Our host families receive a monthly stipend, an orientation to prepare, along with local and national support.

Contact me for more information on how to qualify to become an Educatus Host Family and "unlock the world" for your family!

Meet Davide from Italy

Attending Adrian High School

Davide will be in 12th grade and has a passion for math, physics, and programming. Outside of school, he participates in historical fencing with the Italian saber and practices Krav Maga. He enjoys delving into adventure and fantasy books and has developed an interest in cryptography.

educatius

Meet Nhi from Vietnam

Attending Adrian High School

Nhi is excited to come to the US as a 12th grader for the 2024-2025 school year.

She describes herself as cheerful, independent, and honest. Nhi enjoys reading books, listening to music, and aims to make friends from around the world.

She said "I believe there is no more exciting privilege than discovering new places, meeting people from different backgrounds, and immersing myself in traditions and cultures distinct from my own."

Meet Jiwoo from South Korea

Attending Adrian High School

She goes by her nickname, Ashley, and this will be her second year in the US.

Ashley comes from a busy family of six, including three siblings, with whom she enjoys playing board games.

She is actively engaged in her school community, participating in the drama club and a community service group. She is excited for another year in the USA.

An aerial photograph of a lush green valley in Vietnam, showing a winding river through terraced fields and hills. The landscape is vibrant with greenery and brown earth from the terraces.

Meet Trang from Vietnam

Attending Adrian High School

Trang looks forward to being in the 12th grade at Adrian High School for the 2024-2025 school year. This will be her second year studying in the US as she spent last year in Nebraska.

She describes herself as kind and reliable. Trang likes to dance and sing, enjoys dinner with her family and is close with her sister.

Looking to share her skills, she also volunteers on an online tutoring program to teach English to students in rural parts of Vietnam.
