Policies and Regulations

NEPN Code:

GBEAA

Abortion Referrals

Employees, board members, contracted services providers, visitors, and volunteers shall comply with Revised School Code Section 1507 (sex education) and are prohibited, while on school property or acting within the scope of their respective board duties, employment, contracted services, or volunteerism from referring a student for an abortion or assisting a student in obtaining an abortion.

Adrian Public Schools may investigate suspected violations of this policy, and if a violation is substantiated, Adrian Public Schools may discipline that person in accordance with Board Policy and any applicable collective bargaining agreement or employment contract. In addition, a person employed by Adrian Public Schools found to have violated this policy will be fined an amount totaling not less than 3% of the person's annual compensation, per incident. Any fines collected by Adrian Public Schools under this policy shall be remitted to the state school aid fund.
