

## **Series 3000: Operations, Finance, and Property**

### **3400 School Safety and Security**

#### **3410 *Opioid Antagonist***

The District will provide adequate control, supervision, and training to maintain and administer opioid antagonists at school consistent with state law.

##### **A. Emergency Preparedness**

1. The Superintendent or designee will obtain opioid antagonists, as authorized by law.
2. An opioid antagonist maintained by a school may only be administered to a person who is believed to be having an opioid-related overdose on school grounds by:
  - a. a licensed registered professional nurse employed or contracted by the District; or
  - b. a District employee appropriately trained in accordance with state law.

##### **B. Notice and Reporting**

The building principal or designee will:

1. contact 911 if a student is believed to be having an opioid-related overdose;
2. promptly notify the Parent/guardian of a student to whom an opioid antagonist has been administered and document all actual and attempted notices. The District will encourage the Parent/guardian to seek treatment for the student from a substance use disorder services program; and
3. document all instances of opioid antagonist administration at school.
